Technical Data Information

Product name: UNI-KLEAN - an all-purpose cleaner.

Product Description:

ADCOAT UNI-KLEAN is a multi-purpose water based concentrated cleaner to lift dirt and stains from hard surfaces including plastics, metals, polished concrete, epoxy coatings, tiles, vinyl and polished timber. UNI-KLEAN will degrease machinery, walls and floors.

HOW TO USE:

UNI-KLEAN is a concentrated solution which can be used neat or diluted up to 20:1 with water.

When using neat, it is best applied using a spray bottle or similar.

UNI-KLEAN is safe to use with floor scrubbing machines.

CAUTION: UNI-KLEAN may dull aluminium surfaces so it is recommended that a small area be tested first prior to use.

Product sizes: available in 250ml, 1 litre and 4 litres

For any further information in relation to this or any of our products, please feel free to call **02 9605 3000**

Advantages:

- Non-Flammable
- Low odour
